Welcome to OrangeREADS *Unbroken*

Welcome to Orange Library Association's second OrangeREADS project. The countywide initiative, which kicks off with the Run the Runway 5K Run, Walk and Festival on October 26, will continue through November at Orange County's 17 public libraries and other area venues. This year, we will celebrate Laura Hillenbrand's *Unbroken: A World War II Story of Survival Resilience and Redemption*, her best-selling biography of Louis Zamperini, an Olympic runner, World War II pilot, POW camp survivor, and inspirational speaker. Zamperini died at the age of 97 on July 2.

Hillenbrand's book was a No. 1 *New York Times* best seller, and will be released as a motion picture directed by Angelina Jolie on December 25. Hailed as the top nonfiction book of 2010 by *Time* magazine, *Unbroken* was also the winner of the *Los Angeles Times* Book Prize for biography and the Indies Choice Adult Nonfiction Book of the Year award.

OrangeREADS *Unbroken* programming includes a variety of activities, including book discussions, films, music, lectures, art, a dance and more relating to World War II and the 1940s. Selected events are highlighted in this newsletter, as well as a list of activities. Be sure to visit your local library for events in your own community. All programs are free and open to all.

Please join us in saluting our military - past and present - by contributing nonperishable food items for the Orange County Veterans Food Pantry and personal care items to send to our troops and veterans at Castle Point and Montrose VA hospitals.

For more information, go to our Web site at **www.orangereads.com**.

Thank you.
